**THIS CAUSE** coming on to be heard and being heard before the undersigned upon a motion filed by the defendant's counsel entitled, "Motion to Continue Plea Hearing". At the call of this matter on for hearing, it appeared that the defendant was not present but was represented by her attorney, Frank A. Abrams. The Government was represented by Assistant United States Attorney, Donald Gast. At the hearing of the motion, Mr. Abrams told the undersigned that after the defendant's release from detention that she had immediately begun inpatient treatment at a treatment facility. The treatment facility jealously protects their patients and would not allow Mr. Abrams to even talk to the defendant. The defendant will be in the treatment center for a period of twenty-eight days and is expected to be released on September 25<sup>th</sup>. The defendant was in detention for a period of almost two months waiting to attend the Jail Based Inpatient Treatment Program which could not be accomplished. Mr. Gast, on behalf of the government, advised that he had no objection to continuing the matter based upon the reasons as stated by the defendant's counsel. The undersigned consulted with the office of United States District Judge Lacy Thornburg to

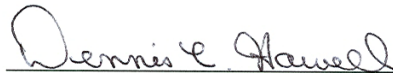

make a determination whether or not granting a continuance would disrupt the trial calendar for the session of District Court slated for September. After consulting with Judge Thornburg's office, the undersigned determined that good cause had been shown for the granting of the motion.

**ORDER**

IT IS THEREFORE **ORDERED**:

1. That the motion of the defendant entitled, "Motion to Continue Plea Hearing" is hereby **ALLOWED** and is to be set for a time after September 25, 2006.
2. That defendant's counsel is directed to file a motion with Judge Thornburg requesting that the defendant's case be continued from the September 2006 trial calendar.
